

A **SOCIAL VISION** FOR **MALTA 2035**

SHAPING THE FUTURE OF OUR SOCIETY

Our Vision

- Provide the necessary **support** to all citizens: *no one is left behind.*
- Improve **Social Wellbeing**; and
- **Empower society** and **build resilience** : particularly most vulnerable cohorts.

Social Vision for Malta 2035

- Overarching Goal-Setting framework earmarked to address the contemporary and future challenges of Maltese Society.
- Outlines the direction for the years to come to address the diverse and changing needs of society.
- Identifies the objectives to be achieved by 2035

How ?

Define the aspirations of Maltese society and create goals to be achieved

We have together

**identified the objectives to be achieved by 2035
for our society which will be achieved through the implementation
of various strategies and action plans**

Our Approach

- Desk Research
- Internal Consultations
- Series of pre-consultation sessions (July 2021)
- Focus Groups (*Children, Youth, Persons with Disability and the Elderly*)
- Public Consultation (June 2022)
Submissions from Ministries, Entities, NGOs, Academics, Practitioners and the General Public

11 Thematic Areas

- Childhood
- Youth
- Ageing

Looking along the
life course

- Poverty & Social Exclusion
- Persons with Disability
- Addiction to Substances, Gambling and Other Behaviours
- Families
- Migration
- Persons Identifying as LGBTIQ
- Violence, Abuse, and Exploitation
- Re-integration of Ex-offenders

Looking across
multiple realities

Monitoring and Evaluation

- Bi-annual Monitoring and Reporting
- Owner: Ministry for Social Policy and Children's Rights
- Implementation through inter-ministerial collaboration
- Mid-term evaluation report

Way Forward

- **Develop appropriate strategies and action plans addressing the different thematic areas to achieve these Policy Goals**
- **Make the Social Vision a National Reality.**

Thank you
